Istanbul Bogazici and Fatih Sultan Mehmet bridges

	2 axles	3 axles	4-5 axles	≥6 axles
	3.75	9.00	25.00	30.00

· the bridge toll is due only on vehicles crossing the Bosphorus in the direction of eastern Turkey;

- prior approval is required for the transport of dangerous goods across the bridge; this may be provided at the ADR check points located at either side of the bridge;
- vehicles transporting dangerous goods of ADR classes 1 and 2 shall not be permitted to cross the bridge, with the exception of vehicles carrying gases such as nitrogen, carbon dioxide and argon;
- vehicles transporting dangerous goods which are not permitted to cross the bridge must cross the Bosphorus by ferry;
- vehicles loaded with low danger goods which are authorised by the competent authority (the General Directorate of Highways) to cross the bridge at night shall pay a higher toll rate: vehicles of up to 3 axles must pay 10 times the standard toll rate, vehicles of 4 axles or more must pay 5 times the standard toll rate.
